BARN COTTAGE

“ One of those stays (at Barn Cottage) where you think twice about leaving feedback....because you want to use the place again and don't want everyone to know about it! Fantastic property with great owners and staff who strike a brilliant balance between making themselves available to help, and not bothering you. ”

“ We had a great week. Great location and close to beaches and other attractions. The children loved being on the farm and getting close to the animals and feeding them. The staff were very helpful and informative. ”

“ We had a fantastic stay at Barn Cottage, its rural location is perfect for peace and quiet and yet all of North Devon, including some stunning beaches, is easy to reach. The property itself is beautifully furnished and has a comfortable homely feel. ”

BARN COTTAGE
