ORCHARD COTTAGE

Orchard Cottage is a lovely property, fantastic interior and very clean. It's well equipped and an excellent size for 8 people, 4 of which were very busy children. Nice and quiet with lovely views especially the buzzards and wild deer, I would recommend highly.

Orchard Cottage at Mornacott is an absolutely stunning holiday cottage. The interior is finished to an extremely high standard and is luxurious and spacious throughout. The estate boasts truly beautiful scenery and the location is perfect for all of North Devon's main attractions. We will most definitely be staying here again!

We hardly ever left Mornacott during our stay. The cottage was great and there was so much to do on site for our teenagers that we struggled to drag them away. With only three cottages sharing the facilities we often had the pool and other activities all to ourselves.
